

The Enli CareGap Manager Form

The **CareGap Manager form** allows users to see what is due or abnormal and to address gaps in care within one form.

Identifying Care Gaps at a Quick Glance

| Health Marker | | Care Gap |
|-------------------------------|--------|------------------------------|
| Indicates the state of health | | Indicates when items are due |
| BMI | 32.6 | Due follow-up |
| BP | 132/80 | |
| Depression | 3 | Due |
| Anxiety | 3 | Due soon |

Clicking on the **health marker** will open a pop-up containing **current and previous values** for that care item.

- Controlled/normal
- Borderline
- Uncontrolled/abnormal

Clicking on the **care gap** will open additional options at the bottom of the form to address the care item selected.

- Not due
- Due soon
- Due

Orders and Entry Buttons

Orders

The **Orders** button opens an area at the bottom of the form that allows the ordering of labs, tests, and referrals, as well as linking them to a diagnosis.
